SUBJECT.

Relieving of Municipalities from the Police Charges (Enumeration with)

Recorded 22/8/19

W D 1250—GPB—30,000 25 1 19

No. 291

Memo in continuation of No 422 and 533-1874.

At a meeting of the Tumkur Municipal Board held on the 8th November 1875. one of the subjects discussed was about the inadequacy of funds at the disposal of the Municipality for Carrying out certain useful improvements in the town and the Board resolved that the Government should be requested to surrender to the Municipality the Profits of revenue of the town on the condition of the Municipality bearing the cost of the town Police.

2. In submitting the above application for the

the Chief Commissioners favorable Consideration; the Commissioner of Rundidrog added that the Muni= =cipality was very poor and that any arrange= =ments which would place it on funds would be a great advantage- &c- As sufficient informa= =tion was not ~~for the Coming~~ afforded on regard to the cost of Town Police Force &c, the Commissioner was requested to submit a statement shewing the actual number and cost of Police stationed in the town of Trunkur- From the state= =ment now furnished it will be seen that

the Revenue from
for the last 5 years
is Rs 9001 or Rs 1800 and
on an average whilst
Cost of Police is only Rs 960
thus giving the Municipality
a net gain of Rs 840 to
be expended on such useful
objects as they may
necessary.

4. The present strength
of the Police Force in
the Tumkur Town is
stated to be only
1 Duffadar and 10
Peons. It is doubtful
whether such
a small Force is
sufficient for the
requirements of a
large Hd. Qr. Town
like Tumkur. It

would be well, I think
to make a reference
to the Inspector General
of Police before passing
final orders.

5. If the present
strength is considered
adequate for Police
purposes and the
cost as stated by
the Commissioner not likely
to increase, the
proposal to transfer
the Management & Control
of the Municipality
may be sanctioned
on the understanding
that the cost of the
Town Police Force
will be charged
by the Municipality

C. C. Proc. No. 4283/730 of the 25th July 1876

6. In pursuance to the foregoing orders, the Inspector Genl of Police was requested to submit his opinion whether the Police force at present maintained in the town of Tumkur, which consists of only one Duffadar and 10 peons is sufficient for the requirement of the place; and also an estimate was called for on account of any charges incidental to the Police of the town such as Cl Stationery &c. which will have to be borne by the Municipality.

No. 1494/239 dt 10.10.76

7. In reply the Inspector General of Police, reports that the present force of 1 Duffadar and 10 peons is not sufficient for Tumkur which is a town of some importance containing some 12000 people more than Kolar where the Police force numbers 18 men; and further Tumkur is situated on the direct road to Shimoga and Chitteldroog and there is a great deal of traffic through it is

if, and it is compact and in this respect perhaps more favorably situated than Kolar. The Inspector Genl. submits that not less than 4 extra men should be employed for Tumkur, that is. 1 Jamadar and 3 Constables, thus giving a total of 15 comprising 1 Jamadar 1 Duffadar and 13 men, the minimum force that is desirable, that the annual expenditure on account of pay for this increase would be Rs. 480/- the clothing per man would cost about Rs. 7/8 per annum.

8. As it is in contemplation to debit the charge of the Tumkur town police to Municipal funds, the Inspector General refers to his Office No. 1235/576 of the 25th May 75 on the subject of the town police of Hassan and suggests that the rules therein laid down be followed in the case of Tumkur.

9. According to the Duff
statement furnished by the
Commissioner of Mundidroog

	Pay per annum Rs.
× 1 Jamadar -	72-0-0
3 Constables at Rs 6 each	18-0-0
Total monthly	40-0-0
Rs annum	480-0-0

the Involuntary Revenue of the Tumkur Town and the Cost of Police Establishment were as follows —

Involuntary — Rs 1800 - average Collection of the past 5 years —

Police charges 960 per annum

Balance 840*

Plus amount, it was anticipated, would be available for Municipal purposes. The Inspector General of Police having suggested the marginally noted addition to the existing Establishment the amount that will now be left at the disposal of the Municipality is only Rs 247 1/2.

1. Jamadar Pay per mensem Rs 22-0-0
3 Constables @ 6 Rs each 18-0-0
40-0-0 per month
480-0-0 per annum
Cost of Clothing &c for 15 men @ Rs 7-8-0 112-8-0
Total 592-8-0

10. Under these circumstances I do not think that the transfer of Involuntary to the Municipality

will be to its advantage.
The ~~subject~~ question may however
be referred to the Board
for further consideration.

" The foregoing orders were communicated to the Commissioner, Nandydroog Division in this office No 21 of the 20th January 1877. In reply. Col Pearse submits copy of the Proceedings of the Gumtoor Municipal Board dated 30th January 1877 - The Board observe that the average collections on account of Mohatarfa, amount to Rs. 1800 per annum, and that the cost of the Police Establishment, proposed to be debited against these collections is Rs. 1552 1/2 as shewn in the margin. They are of opinion that the entertainment of a special Police force as above detailed is highly desirable. But they resolve to accept the transfer

Existing Establishment

1 Duffedar and 10 peons at Rs 80 per mensem ... Rs 9 60

Proposed additions as per suggestions of the Inspector General of Police

1 Jamadar at Rs. 22, and 3 constables at Rs. 6 each Total at Rs 40 per mensem Rs 4 80

Add cost of clothing at Rs. 7-8-0 per man Rs. 112 1/2

1552 1/2.

transfer bearing the cost of the Police Establishment, on the condition that in the event of its hereafter being found necessary to strengthen the present Police force, the additional expenses consequent thereon be met from Imperial sources and not from the Municipality, as the balance left, namely Rs 50, is not sufficient to meet other Municipal requisitions of the Town.

12—The Commissioner solicits sanction to the transfer in question on the terms proposed by the Board.

13 The question as to whether the charges consequent upon the strength of the Police Establishment being hereafter increased should be borne by the Municipal or Imperial Funds is one which need not now be considered Should the Municipal collections

increase and other resources of the Municipality approve of such as would enable it to bear the extra cost, I cant see why it should not be made to do so — If the Municipality is not in a position to meet the increased cost of Police I think the matter will, of course, receive favorable consideration —

I think the transfer of the Mohtinga collections may be transferred to the Municipality on condition of their contributing towards the cost of the Police according to the strength proposed by the Inspector

C. Thompson 17/5/

I concur. The addl. Police force is deemed necessary, and should be dispensed, by such inspection of the Municipality of a large number than they will receive. The power of the Municipality to establish a Board to develope and improve the Harbour as far as the Harbour Act will allow of

The Inspector of Police should be a Government officer, and the cost of the Police force should be borne by the Government

To. The Secretary to the Chief Commissioner of Mysore

Sir,

In reply to the Chief Commissioner's order No. 4283/730 of the 25th July last enquiring whether in my opinion the Police Force at present maintained in the Town of Tumkur which consists of 1 Duffadar and 10 Peons is sufficient for the requirements of Tumkur, I have the honor to state that Tumkur is a Town of some importance, containing some 1200 inhabitants more than Kolar where the Police Force numbers 18 men. It is situated on the direct road to Shimoga and Chitaldroog and there is a great deal of traffic through it. At the same time it is compact and in this respect perhaps more favorably situated than Kolar.

2. Under these circumstances I think

Duffadar

Duffadar and 10 men scarcely a sufficient Force.

3. In my opinion not less than 4 extra men should be employed - that is 1 Jamadar and 3 constables. This would give a total of 15 comprising 1 Jamadar, 1 Duffadar and 13 men, the minimum Force that is desirable.

4. The annual expenditure on account of pay for this increase would be Rs ~~480~~ x 480/. The clothing per man would cost about a:, Rs 7/8 per annum.

5. As it is in contemplation to debit the charge of the Tumkur Town Police to Municipal Funds I would refer to this office letter no $\frac{1235}{5/16}$ of the 25th May 1875 on the subject of the Town Police of Hassan and would suggest that the course therein laid down be followed in the case of Tumkur.

Sir,

I have the honor to submit for orders the marginally noted resolution passed by the Tumkur Municipal Board in their meeting on the 8th instant.

2. The cost on account of Police establishment comes to Rs. 1680 per annum or 27 per cent of the income. This presses heavily and as already stated in my No. 443 dated 22nd December 1886, the area being low, much could not have been done towards the improvement of sanitation and conservancy of the Town. Some relief is necessary and I beg that the Dewan will be pleased to relieve the Municipality of charge in question. I understand that

V. Resolved that the Government be requested to relieve the Municipality of the charge of maintaining the Town Police or at least one half of such charge for the present.

that in many other Municipalities
similar relief has been given
to the preparation of the Budget &
Estimates for 1887 88 is near at hand,
I beg that early orders may be
issued so that the necessary
modifications be made in them.

Sir,

I have the honor to sub-
-mit for the most favorable con-
-sideration and sanction of Govern-
-ment, a resolution passed by
the Sirsi Municipal Board
praying that they may be re-
lieved of the cost of maintaining
the Town Police.

2- In your No 2057 of the 18
March 1887, it was stated that
the proposal "cannot now be
sanctioned," which leads me to
infer that the Government only
waited for a more favorable
season

season, and I would therefore express a hope that the time has arrived for sanctioning the proposal.

3. The cost of the Police, Rupees 1690, represents fully one third of the annual Municipal income, and when diverted for this purpose, cripples our resources to such an extent that the balance is barely sufficient for the ordinary expenses of lighting and sanitation. We need funds for widening narrow lanes, and opening out new roads in dirty crowded localities. The "Chowdy" used as a Central Police Station requires rebuilding. Drains are needed every where and altogether the ing wants of the town are numerous and are constantly on the increase.

4. Being that the Government have

have so liberally helped the
Bangalore, Shimoga, and other
Municipalities with funds for
various schemes of improvemen
and that Simla has never in

very strongly urge the present

Letter No 45 dated the 1st February 1890 from the Deputy Comr. Tumkur District, submitting with his support a resolution passed &c by the Tumkur Municipal Board praying that the Municipality may be relieved of the cost of maintaining the Town Police.

Order thereon No 5477 of 16-8-90 / 571 / 20

It is observed that the Tumkur Municipality enjoys the entire Molturpa amounting to Rs 3,500. The Police Charges amount to Rs 1654, which is less than the Govt share of the Molturpa made over to the Municipality.

2. The receipts of the Municipality, including Molturpa, amount to Rs 8100, and the costs, including Police but excluding Public Works, amount to Rs 4,255, leaving Rs 3352 for Public Works. Of

the latter sum, about £1,000
go to Provincial Roads for
which there is a correspond-

This still leaves £2352 for
Public Works annually
